

Solar Thermal Energy for Europe 2020

Thursday, 24 May 2016

ESTIF - European Solar Thermal Industry Federation

Place du Champ de Mars 2
1050 Brussels, Belgium

13:30 h	Registration
14:00 h	Welcome <i>Bernd Hafner, Chairman European Solar Thermal Technology Panel</i>
14:10 h	Achievements of ESTTP concerning topics in the calls of H2020 <i>Daniel Mugnier (TECSOL)</i>
14:30 h	Next steps for the update of the Solar Thermal Roadmap and inputs for H 2020 calls 2018 and beyond <i>Gerhard Stryi Hipp (Fraunhofer ISE)</i>
14:45 h	The European Heat Strategy <i>Giulio Volpi (DG ENER EC)</i>
15:10 h	European Innovation Partnership on Smart Cities and Communities (EIP SCC) <i>Szilvia Bozsoki (DG ENER EC)</i>
15:35 h	Solar Active Houses: Examples for R&D-projects from Germany: <i>HeizSolar and SolSys</i> <i>Harald Drück (ITWITZS, University of Stuttgart)</i>
16:00 h	Coffee break
16:30 h	Solar heat for Industrial Processes: <i>FRESH NRG Project</i> <i>Uli Jakob (Dr. Jakob energy research GmbH & Co. KG)</i> <i>Dr. Mercedes Hannelore Rittmann-Frank (HSR-SPF)</i> <i>Dr. Daniel Zenhäusern (HSR-SPF)</i>
17:10 h	Solar heat for Industrial Processes: <i>REEMAIN Project</i> <i>Uli Jakob (Dr. Jakob energy research GmbH & Co. KG)</i>
17:30 h	Successful projects on Compact Storage: <i>SOTHERCO Project</i> <i>Gilbert Descy – SOTHERCO Project</i>
17:50 h	Questions & Answers
18:00 h	Brokerage event
19:00 h	Networking reception

Solar Thermal Energy for Europe 2020

Friday, 25 May 2016

ESTIF - European Solar Thermal Industry Federation

Place du Champ de Mars 2
1050 Brussels, Belgium

09:00 h	European Energy performance of buildings directive (EBPD) - the chance for Solar Thermal Technology <i>Harald Drück (ITWITZS, University of Stuttgart, Germany)</i>
09:30 h	Energy-related products directive (ErP) and the Labelpack A+ initiative <i>Pedro Dias (European Solar Thermal Industry Federation, ESTIF)</i>
09:50 h	Solar Heating and Cooling Topics in the H2020 calls in 2017 <i>Piero De Bonis (DG RTD EC)</i>
10:10 h	Coffee break
10:40 h	Discussion - Next steps for the update of the Solar Thermal Roadmap and inputs for H 2020 calls 2018 and beyond <i>Moderated by Werner Weiss (AEE INTEC)</i>
11:45 h	Summary of the workshop and next steps <i>Bernd Hafner, Chairman European Solar Thermal Technology Panel</i>
12:00 h	End of the workshop

IEA SHC Task 54 workshop

12:00 h	Coffee break
12:30 h	IEA SHC Task 54 workshop
14:30 h	End of the IEA SHC Task 54 workshop
